

 Horsefeathers

W26/27

“HFと一緒に過ごしてもう10年。  
これからの10年も、クルーと最高の  
時間を刻んでいけると思うと  
ワクワクするよ”

— HALLDÓR HELGASON

**DELIVERING *THE JOY*  
OF THE NEXT *EPIC RIDE!***

## HORSEFEATHERS WINTER 26/27

ライダーに聞けば誰もが同じことを言うでしょう。  
HFクルーと一緒に、雪の上でも雪の外でも、いつだって「最高に楽しい時間」がある。  
仲間みんなでスノーボードという夢を生き続けているんです。

その想いを最も体現しているのが、世界的ライダーHalldór Helgason（ハルダー・ヘルガソン）。  
今回のコレクションで、彼と共に滑り続けて10年以上。  
最高の旅路でした。スノーボードを“楽しく、飾らず、リアルに”楽しむという想いから生まれた、長年続くクルーストーリーでもあります。

そのエネルギーをそのまま、今季のW26/27 アウターウェアラインに注ぎ込みました。チームと一緒に作り、実際のミッションでテストし、この冬あなたと仲間たちの冒険を支えるために仕上げたラインナップです。定番のジャケットやパンツ、大胆な総柄アイテム、こだわりのベースレイヤー、そして拡張されたグローブ & ゴーグルラインまで。どのアイテムも暖かく、濡れず、快適に、そしてリーズナブルなプライスでスノーボーダーを支えます。

さらに、リフトが止まった後には、ロードトリップや街でのミッション、シーズン序盤のハイクでも活躍するテクニカルパarelが、あなたが“クルーである時間”を提供してくれます。

ページをめくって、自分のセットアップを組み立てましょう。  
そして今季も“攻める準備”を。

— HF CREW

# Responsibility matters / 責任は大切です

Horsefeathersにとって「責任」とは、自分たちのギアがどこで、どのように作られているかを知ることの意味します。それは慎重な選択を行い、持続可能な素材をパートナーと共に開発し、環境と製造に携わる人々の両方を尊重する、耐久性のある製品を生み出すことです。共同創設者のパベル・クビチェックとヘッドデザイナーのベペ・シェテレは、共にライダーであり、工場を頻繁に訪れて安全で熟練した職場環境を提供しています。こうしたパートナーシップはしばしば友情へと発展し、多くのサプライヤーがピルゼンの私たちに訪れてくれます。なぜなら、素晴らしいギアと素晴らしいビールが、常に用意されているからです。

## SMART PACKAGING

ジャケットのパッケージは、P-Life® オキシ分解テクノロジー採用したバッグへ進化しました。従来よりも短期間で分解される地球に優しい素材で、機能性や保護性能はそのまま。ストリートウェアは、使用済みプラスチックを再利用したリサイクルLDPEを採用し、折りたたみ方法の改善によりパッケージサイズを約半分に削減。これにより、廃棄物とCO2排出を大幅に削減しながら、商品は問題なく、安全に手元に届きます。

## PFCフリー撥水加工

長年使用されてきたC6 DWR（耐久撥水加工）は高い性能を持つ一方で、環境や水資源、人の健康に有害なPFCを含んでいました。自然界に長期間残留し、除去がほぼ不可能な化学物質です。そのためHorsefeathersは、環境負荷の少ないPFCフリーC0 DWRへ移行しました。環境に優しいのに撥水性能はしっかりキープ。ジャケットはあなたと自然のフィールド、両方を守ります。責任あるモノづくりが大切だと考えています。

## ULTRATECH 3-LAYER 20.000 MM

UltraTech Recycled 3-Layerは、Horsefeathersの中でも最も高性能な素材。3レイヤー構造により驚くほど軽量で、バックカントリー向けのハイクにも最適。同時にアクションスポーツに耐えられる耐久性も兼ね備えた、最も通気性が高く、最も軽く、最もタフなシェル素材です。

## ULTRATECH 20.000 MM / 15.000 MM / 10.000 MM

UltraTechのハイクオリティー・ファブリックは、台湾のテクニカル素材のエキスパートとのコラボレーションにより共同開発されました。UltraTechファブリックはスノーボードで体験する様々なコンディションに対応できるようデザインされており、工場では様々なチェック工程を定め作り上げられています。アウターシェルは高い防水性と通気性を誇る中間素材と圧着され、外面の撥水性を高めるためにDWRコーティングを施しています。これらの工程を経て作られたファブリックは高い耐久性を発揮してくれます。

## PRIMALOFT® BLACK

USミリタリーが1980年台前半に、保温性と重量の割合を最大限に引き上げた信頼のおける衣服用のインサレーションとして、Primaloftインサレーションを開発しました。Primaloftインサレーションは最大96%もの空気を含むため、軽く、暖かく、たとえ濡れたとしてもその特性を維持します。Primaloftは、高性能インサレーションの作成に、消費者が使用した後のリサイクル素材（PCR）を使用しています。埋立地からボトルを取り出し、洗浄、細かく粉碎、といったプロセスを経て、最終的にPrimaloft繊維へと生まれ変わります。

## SORONA® INSULATION

Sorona®ファブリックは、スタイル良く、気分良く、そして地球環境にも良い選択肢です。持続可能な方法で調達され、37%が植物由来のSorona®は、ナイロンと比較してエネルギー使用量を30%削減し、温室効果ガス排出を50%削減します。その独自の構造により、多用途のアパレルに最適で、単独でも他の繊維と混紡しても、環境に配慮した高性能を発揮します。それは、あなた自身にも、そして地球環境にも賢い選択です。

## THREADS BY COATS

Coatsは250年以上糸を作り続けてきました。長い間マーケットに支持されてきたのには理由があります。それはCoatsがとても革新的な糸を世に輩出し様々なパテント商品を作り続けてきたからです。Coatsが作り出す糸はとても耐久性に優れ、高い信頼性を獲得しています。

## MAGNETIC SNAPS

Magnetic Snapsはポケットのジップを閉め忘れた時のもの。埋め込まれているマグネットのおかげで、閉め忘れても勝手に閉じてくれます。鍵やスマホ、財布を無くすリスクを減らしてくれます。

## PET INSULATION

当社のPETインサレーションは、PET樹脂でできており、細い圧縮繊維で構成されています。この極細繊維の間に多くの空気を含み、かさばることもなく、たとえ濡れたとしてもその性能を失うことはありません。PETインサレーションは、軽量、速乾で耐久性が高く、ダウンのような柔らかさを兼ね備え、通気性や圧縮からの戻りも優れています。アウターウェアに最適な特性を備えています。

## YKK ZIPPERS

YKKジッパーは信頼性とクオリティーの証のようなものです。アウターウェア業界で最も使用されているこのジッパーは、パフォーマンス面でも他の追随を許しません。とてもスムーズに開閉が可能で、スノーボードが行われるとても厳しい環境下でもしっかりと機能してくれます。全てのジッパーにYKK製品を使用しています。

## FLEXI LOCK

チームライダーと共に、このビブパンツのFlexi Lock Systemを開発しました。通常のバックルだと、レールに打ちつけた際に体にダメージを与えてしまいます。このFlexi Lock Systemならば問題なし、そして簡単に調整できます。

## LIFT LEG SYSTEM

Tyler Chorltonの“普通の型のパンツ”が好みというところから始まり、パンツの裾が地面とこすれて切れてしまうのを防ぐためにこのLift Leg Systemが開発されました。簡単に上げ下げが可能です。

## STREETWEAR MADE IN EU

ストリートウェアとアクセサリーの大部分をヨーロッパの工場生産しています。これにより、工場、倉庫、ショップ間の輸送距離を最小限にすることができ、結果的に二酸化炭素排出の軽減につながっています。

オールオーバープリントシリーズ

今季の総柄はAurora / Nomad / Wonderlandの3つのストーリー。  
ジャケット、パンツ、グローブ、アクセサリまで展開され、  
全身で揃えても、ミックスしてもOK。  
もちろん、Horsefeathersらしい機能性とフィット感は健在です。

AURORA

NOMAD

WONDERLAND

A close-up photograph of a snowy mountain peak. The foreground shows a sharp, white snow ridge. The background is a vast, clear blue sky with some faint, wispy clouds. The overall scene is bright and crisp, suggesting a winter day.

**BAGGY**

BARON

A person wearing light-colored snow pants and a dark jacket is standing on a snowy slope. They are holding a snowboard with a black, white, and green design. The person is wearing black gloves and has a small patch on the sleeve that says "Horse Ranchers". The background is a bright, snowy landscape.

TEA

BLACK

A woman with long brown hair is smiling and looking slightly to her right. She is wearing a light purple hooded sweatshirt with a small circular logo on the left chest that says "HORSE" and a grey knit beanie. She is also wearing black pants. The background is a modern building with a grey facade and large windows. The lighting is soft, suggesting it might be dusk or dawn.

## フォトクロミックレンズ

フォトクロミックレンズは光に反応して最適な色に変わるアダプティブレンズ。強い紫外線を受けると濃くなり、光が弱まるとクリアに戻ります。光の変化が激しい状況で行動するライダー、バイカー、ランナーに最適です。

# Bike apparel

2026年のバイクコレクションは、これまでで最も完成度の高いラインナップ。

ジャージ、パンツ、テクニカルアウター、アクセサリーまで、数年にわたって磨き上げてきた最高の仕上がりです。

Horsefeathersがバイクシーンへ本格進出してきた背景には、ブランドの認知拡大、ライダーのサポート、イベントやコミュニティづくりがあり、その結果、いまや地元エリアで最も注目されるバイクブランドとなりました。

このコレクションは、その次のステージへ進む新しい章です。QRコードから全ラインナップをご覧ください。

# Our story

HORSEFEATHERS.EU/ABOUT-US

**1989** The whole Horsefeathers story started back in 1989 in British Columbia, Canada, in a small town called Rock Creek. Hanuš and his friends were into snowboarding, which was a pretty new sport at that time. It was more like a rebellion against the local lifestyle as the whole area was just farms and cowboys. They were riding as much as they could and live the lifestyle of a board-riding crew.

**1992** Hanuš moves to Pilsen, the Czech Republic where he meets Pavel Kubiček. Together they started Horsefeathers as a brand. This photo on a rooftop in Pilsen was shot on a funky 70s Russian camera.

**1993** This is the first official Horsefeathers design ever made. In 1993 we launched the first Horsefeathers collection of 50 tees and 200 stickers. This tee is one of them.

**1994** The first "office" was cozy mayhem of salvaged furniture, posters, snow and skate mags, "high-tech" electronics all surrounded by boxes of clothing.

**1995** This is the first-ever Horsefeathers advertisement. It was a last-minute call for the first issue of legendary Czech Board magazine and we are still not sure what this means. „There was no plan to do an ad, but when the funky image of naked kids floated up, it was a must to do. Horsefeathers to the point,” comments Hanuš.

**1997** Our first outerwear collection and first catalog dropped in fall 1997. The Shadow jacket looks on-trend even now.

**1998** After the first outerwear collection sold out, Hanuš and Pavel took off to British Columbia, Canada, for two months of snowboarding. It was an awesome road trip with some wild stories. After coming back, there was so much work to handle, so they had to get everything in line and get structured.

**1998** This is the first Horsefeathers snowboard advertisement we made in 1998. The perfect setup — Pavel behind the lens, Hanuš dropping the cliff. Shot at Whitewater, B.C. snow paradise during the '97/'98 trip.

**2000** This is the photo of our official team back in 2000. A lot of the guys stayed with us for a while, legends! Left to right: Michal Vladík, Petr Zvolánek, Honza Janda, Luděk Čtvrtníček, Filip Tauchman, Martin Mráz, Ondřej Marčík, Jan Zajíc, Kryštof Just, Kamil Mrázek.

**2003** The MTB team was born. Among the first riders were Richard Gasperotti and Jiří Hubáč, followed by names such as Tomáš „eMTÝ” Marek, Láďa Klauz, Tomáš Šorejs, Pavel Schwarz, Martin „Čárys” Cheníček and Tomáš „Leader” Zejda.

**2004** Showing the collections at ISPO marked the beginning of growing the brand on an international level. Nevertheless, there was always endless beer and party that went hand in hand with showing the new collections.

**2006** In 2006 we made the first Horsefeathers City Jib as a local jib contest that quickly grew into an international event that in 2008 saw in front of the Pilsen St. Bartholomew's Cathedral more than five thousand people and the riders list contained big names like Fredu, Sirvio, Alex Tank, Marc Swoboda or Hans Åhlund.

1989年当時、スノーボードは今のようなスポーツではありませんでした。スノーパークも高速リフトもSNSもなく、すべてがアナログ。ハイテク装備なんてなくても、シーンには爆発的なエネルギーがありました。スノーボードは “新しくて、変で、フレッシュで、燃えていた”。既存のチームスポーツへの反抗であり、まさにカルチャーそのものでした。そんな時代に、Stew Carlson が祖母の口癖「That' s horsefeathers, Stewart! (ホースフェザーズだよ、スチュワート! ) 」をブランド名として使い始めたのが始まり。そこからすべてが動き出したのです。

**2007** Horsefeathers Pleasure Jam was an internationally recognized 4\* event at Dachstein glacier that always attracted the best riders pumped on competing in the first contest of the season. The contest under our name ran from 2007 to 2011 and was part of the Horsefeathers Superpark Dachstein and Horsefeathers Superpark Planai combo.

**2008** Finish legend Ville Uotila joined our team in 2008 and quickly became one of the most significant riders in Horsefeathers history. During the years, he produced insane ads, photos, and video parts. He was also part of the B.C. 20th Anniversary trip crew. Thanks for the good times, Ville!

**2008/09** Riding in British Columbia, Canada is always a good plan. The team grabbed the same van as Hanuš and Pavel in the '97/'98 trip and did a tour of all iconic locations. Onboard of the time shuttle were Ville Uotila, Lukas Draxl, Rene Biedenkopf, Honza Zajíc, Richard Skandera, and Zuzana Salz, all documented by David Blažek and Karkys.

**2009** The Breakthrough Brand of the Year Award presented by SOURCE magazine recognizes the activities and efforts of a small/new brand that has been seen by retailers to have progressed the most in the year. Thanks, guys!

**2011** The Deck belt was a brainchild of Hoffee, the marketing manager at that time and the project made headlines as it utilized broken decks from our riders and friends.

**2012** Opening a flagship store at a prime location in Prague made it possible to set up an environment that would reflect everything Horsefeathers represents as a brand. And yes, there is free beer.

**2015** In 2015 all focus was put on snowboarding and on building an awesome team that would be tuned on to the same philosophy as everyone at HF. From meeting Tyler on a subway in Munich that year and super simply working out a deal, or hooking up with Mans shortly after, to having Eiki Helgason onboard just seems to make perfect sense.

**2016** Ísland Born is the three-part project – zine, full part and documentary – from Eiki Helgason, released in late 2016. The footage in the videos showcased some stunning scenery from Eiki's native Iceland.

**2018** After two successful seasons of atrip apparel, Halldór Helgason and the Stigma Distribution crew have decided to implement the brand into Horsefeathers as Halldór's signature line. Halldór Helgason becomes a member of the Horsefeathers global team joining his brother Eiki. The first Horsefeathers atrip line by Halldór Helgason hit the stores in winter 2018/19.

**2020** Zillertal Valley legend Steve Gruber joined the Global team, and the story continues...

**2021** Ethan Morgan joined the Horsefeathers Global team, and the first-ever DYIX STRT JAM took place in Innsbruck. Ethan's personality and riding style fit our crew perfectly.

**2022** After a 5-year break, the Horsefeathers bike team is formed again, including the legends Richard „Gaspi“ Gasperotti and Tomáš „Leader“ Zejda. They are joined by stalwarts Michal Košík and young guns Kuba Hejl and Filip Vokurka.
